

# TYPE 4 (APPROVED ESSEX MODEL) PERSONAL BREATHING EQUIPMENT

REPLACES MR-10021N OR MR-10021NAA

## FEATURES

### REALISM

Our PBE feels and operates like the real thing. The training PBE comes complete with simulated actuation clips, weighted dummy O<sub>2</sub> cylinders and a removable neck seal. The hood is similar in shape, colour and weight to the OEM PBE.

### EASE OF USE

The simulated actuation clips are reset in seconds with no need for special tools.

### DURABILITY

We use robust materials that can withstand the rigors of the training environment.

### WASHABLE

The PBE can be completely dismantled so the textile portion of the product can be placed into a conventional wash machine.

### REPAIRABLE

Tulmar can provide repairs to textile portion of the PBE and provide replacement parts that experience wear through repeated use.

### NON-LATEX NECK PIECE

Our standard neck piece is now EPDM rubber. We can offer latex or non-latex replacement neck pieces.

### PART NUMBER

6485-001 Standard Model  
6485-006 Model with Red Ball Activation

### AVAILABLE ACCESSORIES

6412-NP	Latex Neck Piece
