

P/N 6444-105

Our Training Protective Breathing Equipment (PBE) feels and operates like the real thing. The training PBE comes complete with a simulated ignition candle, rear actuation pin, head band and weighted dummy O² generator. The hood is similar shape, colour and weight to the Original Equipment Manufacturer (OEM) PBE.

Color	Sunbrella Orange
Appearance	Triangular, sturdy textile exterior ending at the shoulder-line
Weight	4.13lbs (1874g) / O ² Igniter simulator 3.3lbs (1493g)
