FEATURES

REALISM

Our PBE feels and operates like the real thing. The training PBE comes complete with a simulated ignition cord, nose cone, head band and weighted pouch.

DURABILITY

We use robust materials that can withstand the rigors of the training environment.

WASHABLE

The PBE can be completely dismantled so the textile portion of the product can be placed into a conventional wash machine.

REPAIRABLE

Tulmar can provide repairs to textile portion of the PBE and provide replacement parts that experience wear through repeated use.

NON-LATEX NECK PIECE

Our standard neck piece is now EPDM rubber. We can offer latex or non-latex replacement neck pieces.
